Parking Contracts at £123.33 per calendar month, in advance, exclusive V.A.T. The permit parking may be moved from car to car at the clients discretion, but clients are asked to notify us of any permanent change in registration as we include registration numbers on invoices. If the permit is not displayed on the drivers vehicle, the driver must pay the daily charge. The Permit is the property of the Company, and must be returned when no longer required. Please sign this application form and post to:
